2005 BILL

4-10-05

 By AS
 4-12-05 1800

Gen

- 1 AN ACT ...; relating to: causing injury or death while operating a vehicle after
 2 suspension or revocation of an operating privilege^g and ^{providing} creating a penalty.

Analysis by the Legislative Reference Bureau

Under current law, no one may operate a motor vehicle while his or her operating privilege is suspended or revoked. A person who operates a vehicle while his or her operating privilege is suspended may be required to forfeit not less than \$50 nor more than \$200. A person who operates a vehicle while his or her operating privilege is revoked may be fined not more than \$2500 or imprisoned for not more than one year, or both.

Under this bill, a person who operates a motor vehicle while his or her operating privilege is suspended or revoked and who causes injury to another person is guilty of a Class I felony and subject to a fine of not more than \$10,000, imprisonment not to exceed 3 years and six months, or both. A person who causes the death of another person while operating a motor vehicle while his or her operating privilege is suspended or revoked is guilty of a Class G felony, and is subject to a fine of not more than \$25,000, imprisonment for not to exceed 10 years, or both.

For further information see the **state and local** fiscal estimate, which will be printed as an appendix to this bill.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a

BILL

report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 343.44 (2) (e) of the statutes is created to read:
